CURRICULUM VITAE

Agha Noman

Brand Designer & Design Lead · Lahore, Pakistan

Brand designer with five years of experience building identity systems for food, retail, fashion and technology brands, and carrying them through packaging, campaigns, websites, social media and motion. Currently Design Lead at Xyric.AI, shaping brand direction, digital experience and the creative systems behind AI products. Previously led branding and campaigns at Xeven Solutions, YouthClub and Dairaah Ad Agency, and mentored junior designers across agencies and startups. Works with clients in Pakistan and the UAE.
